# Keep warm with Council Tax

East Hampshire District Council has teamed up with British Gas to bring you a new home insulation offer!

- **Loft and cavity wall insulation by British Gas at a substantially reduced price, AND**
- **£75 credited to your council tax account by British Gas if loft and/or cavity wall insulation is installed by them.**

Receive a £75 payment towards your council tax and lower your fuel bills.

You don't need to be a British Gas customer to benefit from this offer.

**If you take up this home insulation offer you will pay the cost of the insulation (typical prices are £274 for loft insulation and £250 for cavity wall insulation), then British Gas will credit your council tax with £75.**

*This payment is wholly funded by British Gas and not the Council.*

12/24 months  
interest free credit  
on insulation costs.

Average annual energy saving for a 3-bed semi with insulation: Cavity wall £90 Full loft £110

Payment can be for the full amount or by interest free credit over 12 or 24 months.

If you are over 70, or on certain income or disability related benefits you may qualify for free insulation (although you would not then be eligible for the £75 council tax credit).

To find out how you can benefit from this fantastic opportunity, and make a significant difference to your energy bills and the environment for future generations, please call...
