The permit is valid for only one qualifying vehicle whose registration number appears on the permit.

In the event of misuse, the Council reserves the right to withdraw the permit facility with no liability to refund any outstanding monies.

The permit is non refundable.

Your season ticket is only valid in the car park stated on the season ticket.

The purchase of a season ticket does not guarantee the holder to a parking place.

If a valid season ticket is not correctly displayed so that the details are visible to the Car Park Supervisor, a Standard Charge Notice of £90 will be issued.

Replacement season tickets or a change to the vehicle registration number are liable to an administration charge of £10.

The following discounts will apply where carbon dioxide emissions from the relevant vehicle is within the following levels.
