

# Pest problems cost British businesses thousands of pounds each year.

From damage to / contamination of stock, closure of business due to infestations, damage to electrical cables or pipes, the implications are endless.

**East Hampshire District Council Pest Control** provides a pest control / prevention service for all commercial businesses.

Our service can be tailored to suit individual needs, from ad-hoc treatments to long-term contracts.

We offer competitive rates for rodent and insect control / monitoring.

To find out about our range of services and prices, please go to our website: [www.easthants.gov.uk/pestcontrol](http://www.easthants.gov.uk/pestcontrol)

For every contract, we provide written reports that are kept in a folder on-site along with safety data sheets, locations of bait / monitoring boxes and a list of the year's scheduled visits.

**If you have a pest problem or want to avoid having one, we're here to help.**

**Call 01730 234 360** for a free, no obligation quote.
