Dear Mrs Hutton

**Bentley Neighbourhood Plan
Strategic Environmental Assessment (SEA) and Habitats Regulations Assessment
(HRA) Opinion Screening Determination**

This letter sets out the council's screening opinion concerning the need for SEA and HRA in relation to the Bentley Neighbourhood Plan and as such whether it meets one of the basic conditions that a neighbourhood plan must meet in order to proceed to referendum: that it does not breach, and is otherwise compatible with, EU obligations.

On the basis of the contents of the neighbourhood plan and consultation with the relevant statutory bodies the following determination can be made.

The screening determination is that **an environmental assessment and HRA of the Bentley Neighbourhood Plan is not required** due to there being no adverse comments from the Statutory Bodies and for the reasons set out in the attached statement of reasons and response of screening.

As such it is the opinion of East Hampshire District Council that the Bentley Neighbourhood Plan is in accordance with the provisions of the European Directive 2001/42/EC as incorporated into UK law by the Environmental Assessment of Plans and Programmes Regulations 2004.

This decision has been based on the information provided. If the contents of the Plan are revised and/or there is a material change in the environmental characteristics in the locality (eg. any additional nature conservation or other environmental designations), then the comments contained in this decision would need to be reconsidered in order to take account of the changes.

Yours sincerely
