- Local Nature Reserve

A4 Other:

- Within a Flood Risk Zone
- Ancient Woodland
- Has the site achieved a Green Flag Award?

1. Welcoming place

Site access: **Restricted public access**

If restricted access, what kind of restriction? **Members/tenants only**

Other (please state):

To what extent are the entrances well presented?

Good

To what extent are the boundaries well defined and maintained?

Good

What is the overall quality of access and accesses within and through the open space?

Good

What is the overall quality of access and accesses for people travelling to open space?

Good

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment? **0**

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **No**

What play activities are provided for?

Site ID: 1

Site name: Chawton Park Road

Quality: 36

Typology: Park or garden

Value: 13

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other No

Please state:

Is there evidence the green space is being used for informal recreation?

Please state, if 'other':

Overall provision for informal recreation?

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins No

Nature trail No

Seating Yes Fair

Lifebelts No

Cycle parking No

Other No

Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? Yes

Do the approaches feel open and secure? Yes

Is there a flow of people through the green space (to acheive self surveillance)? No

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 1

Site name: Chawton Park Road

Quality: 36

Typology: Park or garden

Value: 13

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site: **Club house**

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Quality: 35

Typology: Provision for children or young people

Value: 38

Brownfield land:

none

Allotments:

none

Invasive species:

No

Other vegetation:

No

Other description:

Does the green space contribute to the setting of the immediate local area?

Yes

Does the green space feature any recognisable landmark features of local importance?

No

Is the green space visible from adjacent main road/ railway/ public transport route?

No

Is the open space visually attractive?

Yes

What threats/ disturbances/ issues are affecting the attractiveness of the site?

none

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? **No** If so, are up to date notices displayed?

No

Are there any temporary notices on site informing users about current developments?

No

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

No

Is there evidence that a natural feature on site is being used by the local community for education?

No

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

No

Is there a evidence of an active community group?

No

Is there a programme of activities?

No

7. Marketing

Social facilities located on or adjacent to green space:

none

Is there a dedicated outdoor performance area within the green space?

No

Does the green space contain public art?

No

Is there a school immediately adjacent to the green space?

No

8. Potential themes for enhancement

Landscape, heritage, sense of place

Biodiversity

existing, potential enhancement

1. Welcoming place

Site access: **Freely accessible to public**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Fair

To what extent are the boundaries well defined and maintained?

Fair

What is the overall quality of access and accesses within and through the open space?

Fair

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Fair

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment?

0

Is it for under 5 years? **Yes** 5-11 years? **Yes** Over 11 years? **No**

What play activities are provided for?

Site ID: 45

Site name: Radford Park

Quality: 31

Typology: Green corridor

Value: 35

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other Yes

Please state: **Natural play - boulders**

Is there evidence the green space is being used for informal recreation?

walking/ dog walking, sitting/ relaxing

Please state, if 'other':

Overall provision for informal recreation? Fair

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes Good

Nature trail No

Seating Yes Fair

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? No

Do the approaches feel open and secure? No

Is there a flow of people through the green space (to acheive self surveillance)? Yes

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 45

Site name: Radford Park

Quality: 31

Typology: Green corridor

Value: 35

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site: **Site workers building**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Poor

To what extent are the boundaries well defined and maintained?

Poor

What is the overall quality of access and accesses within and through the open space?

Poor

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Poor

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment?

0

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **No**

What play activities are provided for?

Site ID: 58

Site name: Goslings Croft

Quality: 12

Typology: Natural or semi-natural green space

Value: 18

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other No Please state:

Is there evidence the green space is being used for informal recreation?

walking/ dog walking

Please state, if 'other':

Overall provision for informal recreation? Poor

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes Poor

Nature trail No

Seating No

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? Yes

Is lighting provided? No

Do the approaches feel open and secure? No

Is there a flow of people through the green space (to acheive self surveillance)? Yes

Is dog fouling evident onsite? Yes

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 58

Site name: Goslings Croft

Quality: 12

Typology: Natural or semi-natural green space

Value: 18

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Baseline Assessment - Designations

A1 National:

- Listed building
- Scheduled Monument
- Site of Special Scientific Interest (SSSI)
- Register of Historic Parks and Gardens

A2 Regional:

- Local Wildlife Site (LWS)
- Biodiversity Opportunity Area

A2 Access:

- National/regional trails
- Sustrans Cycle Routes

A3 Local - Statutory:

- Conservation area
- Local Nature Reserve

A4 Other:

- Within a Flood Risk Zone
- Ancient Woodland
- Has the site achieved a Green Flag Award?

1. Welcoming place

Site access: **Freely accessible to public**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Fair

To what extent are the boundaries well defined and maintained?

Good

What is the overall quality of access and accesses within and through the open space?

Fair

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Poor

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment? **0**

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **No**

What play activities are provided for?

Site ID: 124

Site name: Cunningham Road

Quality: 19

Typology: Amenity green space

Value: 10

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other No Please state:

Is there evidence the green space is being used for informal recreation?

Please state, if 'other':

Overall provision for informal recreation?

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins No

Nature trail No

Seating No

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? Yes

Is lighting provided? Yes

Do the approaches feel open and secure? Yes

Is there a flow of people through the green space (to acheive self surveillance)? Yes

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 124

Site name: Cunningham Road

Quality: 19

Typology: Amenity green space

Value: 10

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland

Scrub, shrubs and hedgerows:

none

Water and wetlands:

none

Trees and woodland:

tree groups/ scattered trees

Flower beds:

none

Site ID: 124

Site name: Cunningham Road

Quality: 19

Typology: Amenity green space

Value: 10

Brownfield land:

none

Allotments:

none

Invasive species:

Other vegetation:

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

none

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Landscape, heritage, sense of place

Biodiversity

Water resources

Woodland

Access and recreation

Health and well-being

Local awareness and involvement

Typology: Natural or semi-natural green space

Value: 17

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

wildflower grassland

Scrub, shrubs and hedgerows:

scrub

Water and wetlands:

none

Trees and woodland:

woodland edges/ trees and shrubs forming shelterbelt, broadleaved woodland

Flower beds:

none

Site ID: 144

Site name: Bell Hill Common

Quality: 18

Typology: Natural or semi-natural green space

Value: 17

Brownfield land:

none

Allotments:

none

Invasive species:

Other vegetation:

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

road noise

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Landscape, heritage, sense of place

Biodiversity

Water resources

Woodland

Access and recreation

Health and well-being

Local awareness and involvement

Site ID: 144

Site name: Bell Hill Common

Quality: 18

Typology: Natural or semi-natural green space

Value: 17

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

Potential for improved habitat creation and improved access to / signage as well as recreational usage (walking etc). At present boundary takes in vehicular route and over grown woodland which is inaccessible in places due to its dense nature.

Site ID: 145

Site name: Cypress Road

Quality: 23

Typology: Amenity green space

1. Welcoming place

Site access: **Freely accessible to public**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Good

To what extent are the boundaries well defined and maintained?

Good

What is the overall quality of access and accesses within and through the open space?

Good

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **Yes** How many separate items for equipment? **9**

Is it for under 5 years? **Yes** 5-11 years? **Yes** Over 11 years? **No**

What play activities are provided for?

balancing, rocking, climbing/ agility, social play, swinging, rotating, jumping, viewing, sliding

Site ID: 193

Site name: Recreation Ground South

Quality: 48

Typology: Park or garden

Value: 48

Is there impact absorbing surfacing around the equipment? Yes

Are there benches within the enclosure? Yes

Are there litterbins within the enclosure? Yes

Is there a play area notice at the entrance stating dog free, children only and emergency contacts? Yes

Is there space, separate from the equipped area, for informal play/ general runabout? Yes

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

other (please state)

Description of other: **Some litter evident.**

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Landscape, heritage, sense of place

Biodiversity

Water resources

Woodland

Access and recreation

Health and well-being

Local awareness and involvement

Site ID: 226

Site name: Arford Common

Quality: 21

Typology: Natural or semi-natural green space

Value: 22

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

Potential for further habitat creation and improving amenity value.

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Landscape, heritage, sense of place	existing, potential enhancement
Biodiversity	existing, potential enhancement
Water resources	existing, potential enhancement
Woodland	existing, potential enhancement
Access and recreation	existing, potential enhancement
Health and well-being	
Local awareness and involvement	potential enhancement

Typology: Amenity green space

Value: 51

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

There is a social club on adjacent land owned by the football club which also has flood lighting.

Site ID: 246

Site name: Upper Green

Quality: 32

Typology: Park or garden

Value: 45

Baseline Assessment - Designations

A1 National:

- Listed building
- Scheduled Monument
- Site of Special Scientific Interest (SSSI)
- Register of Historic Parks and Gardens

A2 Regional:

- Local Wildlife Site (LWS)
- Biodiversity Opportunity Area

A2 Access:

- National/regional trails
- Sustrans Cycle Routes

A3 Local - Statutory:

- Conservation area
- Local Nature Reserve

A4 Other:

- Within a Flood Risk Zone
- Ancient Woodland
- Has the site achieved a Green Flag Award?

1. Welcoming place

Site access: **Freely accessible to public**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Fair

To what extent are the boundaries well defined and maintained?

Good

What is the overall quality of access and accesses within and through the open space?

Fair

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **Yes** How many separate items for equipment?

6

Is it for under 5 years? **Yes** 5-11 years? **Yes** Over 11 years? **Yes**

What play activities are provided for?

swinging, climbing/ agility, rocking, balancing, viewing, sliding

Site ID: 246

Site name: Upper Green

Quality: 32

Typology: Park or garden

Value: 45

Is there impact absorbing surfacing around the equipment? No

Are there benches within the enclosure? Yes

Are there litterbins within the enclosure? Yes

Is there a play area notice at the entrance stating dog free, children only and emergency contacts? Yes

Is there space, separate from the equipped area, for informal play/ general runabout? Yes

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA Yes

Waterplay No

Skate park No

BMX No

Other No

Please state:

Is there evidence the green space is being used for informal recreation?

children's play, sitting/ relaxing, walking/ dog walking

Please state, if 'other':

Overall provision for informal recreation?

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes

Nature trail No

Seating Yes

Lifebelts No

Cycle parking No

Other No

Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? No

Do the approaches feel open and secure? Yes

Is there a flow of people through the green space (to acheive self surveillance)? No

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track

Grass pitches

Site ID: 246

Site name: Upper Green

Quality: 32

Typology: Park or garden

Value: 45

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland, wildflower grassland

Scrub, shrubs and hedgerows:

hedge, scrub, shrub

Water and wetlands:

none

Trees and woodland:

woodland edges/ trees and shrubs forming shelterbelt, tree groups/ scattered trees

Flower beds:

Site ID: 246

Site name: Upper Green

Quality: 32

Typology: Park or garden

Value: 45

none

Brownfield land:

none

Allotments:

none

Invasive species:

Other vegetation:

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

road noise, lack of landscape management, other (please state)

Description of other: **Problem with mole hills.**

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Landscape, heritage, sense of place

Biodiversity

Water resources

Woodland

Access and recreation

Health and well-being

Local awareness and involvement

Site ID: 246

Site name: Upper Green

Quality: 32

Typology: Park or garden

Value: 45

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

Potential for more local neighbourhood involvement at the site.

Waterplay No

Skate park No

BMX No

Other No Please state:

Is there evidence the green space is being used for informal recreation?

walking/ dog walking, desire lines

Please state, if 'other':

Overall provision for informal recreation? Fair

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins No

Nature trail No

Seating No

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? No

Do the approaches feel open and secure? No

Is there a flow of people through the green space (to acheive self surveillance)? No

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 254

Site name: South Town Road

Quality: 21

Typology: Natural or semi-natural green space

Value: 17

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

wildflower grassland

Scrub, shrubs and hedgerows:

scrub, hedge

Water and wetlands:

none

Trees and woodland:

woodland edges/ trees and shrubs forming shelterbelt, broadleaved woodland

Flower beds:

none

Site ID: 254

Site name: South Town Road

Quality: 21

Typology: Natural or semi-natural green space

Value: 17

Brownfield land:

none

Allotments:

none

Invasive species:

No

Other vegetation:

No

Other description:

Does the green space contribute to the setting of the immediate local area?

Yes

Does the green space feature any recognisable landmark features of local importance?

No

Is the green space visible from adjacent main road/ railway/ public transport route?

No

Is the open space visually attractive?

Yes

What threats/ disturbances/ issues are affecting the attractiveness of the site?

none

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? **No** If so, are up to date notices displayed?

No

Are there any temporary notices on site informing users about current developments?

No

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

No

Is there evidence that a natural feature on site is being used by the local community for education?

No

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

No

Is there a evidence of an active community group?

No

Is there a programme of activities?

No

7. Marketing

Social facilities located on or adjacent to green space:

none

Is there a dedicated outdoor performance area within the green space?

No

Does the green space contain public art?

No

Is there a school immediately adjacent to the green space?

No

1. Welcoming place

Site access: **Freely accessible to public**

If restricted access, what kind of restriction?

Other (please state):

To what extent are the entrances well presented?

Fair

To what extent are the boundaries well defined and maintained?

Fair

What is the overall quality of access and accesses within and through the open space?

Good

What is the overall quality of access and accesses for people travelling to open space?

Fair

What is the overall provision of signage?

Poor

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment? **0**

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **No**

What play activities are provided for?

Site ID: 307

Site name: The Ridgeway

Quality: 24

Typology: Amenity green space

Value: 17

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other No Please state:

Is there evidence the green space is being used for informal recreation?

walking/ dog walking, desire lines

Please state, if 'other':

Overall provision for informal recreation? Poor

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes Poor

Nature trail No

Seating No

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? Yes

Do the approaches feel open and secure? Yes

Is there a flow of people through the green space (to acheive self surveillance)? Yes

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 307

Site name: The Ridgeway

Quality: 24

Typology: Amenity green space

Value: 17

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland, wildflower grassland

Scrub, shrubs and hedgerows:

hedge

Water and wetlands:

none

Trees and woodland:

woodland edges/ trees and shrubs forming shelterbelt

Flower beds:

annual bedding displays

Site ID: 307

Site name: The Ridgeway

Quality: 24

Typology: Amenity green space

Value: 17

Brownfield land:

none

Allotments:

none

Invasive species:

Other vegetation:

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

none

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **Yes** How many separate items for equipment?

13

Is it for under 5 years? **Yes** 5-11 years? **Yes** Over 11 years? **Yes**

What play activities are provided for?

balancing, rocking, climbing/ agility, social play, swinging, jumping, viewing, sliding, touching

Site ID: 315

Site name: London Road West

Quality: 37

Typology: Provision for children or young people

Value: 49

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA

Waterplay

Skate park

BMX

Other

Please state: **Basketball net and football nets**

Is there evidence the green space is being used for informal recreation?

sitting/ relaxing, children's play, young people hanging out

Please state, if 'other':

Overall provision for informal recreation?

Are there basic amenity and what is the condition?

Toilets

Cafe

Litter and/ or dog bins

Nature trail

Seating

Lifebelts

Cycle parking

Other Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties?

Is lighting provided?

Do the approaches feel open and secure?

Is there a flow of people through the green space (to acheive self surveillance)?

Is dog fouling evident onsite?

Active recreation/ sport provision:

Outdoor athletics track

Grass pitches

Site ID: 315

Site name: London Road West

Quality: 37

Typology: Provision for children or young people

Value: 49

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports:

Please state: **basketball and football**

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland

Scrub, shrubs and hedgerows:

hedge

Water and wetlands:

none

- Within a Flood Risk Zone
- Ancient Woodland
- Has the site achieved a Green Flag Award?

1. Welcoming place

Site access: **Restricted public access**

If restricted access, what kind of restriction? **Members/tenants only**

Other (please state):

To what extent are the entrances well presented?

Good

To what extent are the boundaries well defined and maintained?

Fair

What is the overall quality of access and accesses within and through the open space?

Fair

What is the overall quality of access and accesses for people travelling to open space?

Poor

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment? **0**

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **No**

What play activities are provided for?

Site ID: 372

Site name: Hillbrow Brow

Quality: 22

Typology: Allotments

Value: 24

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park No

BMX No

Other No Please state:

Is there evidence the green space is being used for informal recreation?

food growing

Please state, if 'other':

Overall provision for informal recreation? Fair

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes Fair

Nature trail No

Seating No

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? No

Do the approaches feel open and secure? No

Is there a flow of people through the green space (to acheive self surveillance)? No

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 0

Site ID: 372

Site name: Hillbrow Brow

Quality: 22

Typology: Allotments

Value: 24

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland

Scrub, shrubs and hedgerows:

hedge, scrub

Water and wetlands:

none

Trees and woodland:

woodland edges/ trees and shrubs forming shelterbelt

Flower beds:

ornamental planting

Site ID: 372

Site name: Hillbrow Brow

Quality: 22

Typology: Allotments

Value: 24

Brownfield land:

none

Allotments:

allotments (active)

Invasive species:

Other vegetation:

Other description:

Does the green space contribute to the setting of the immediate local area?

Does the green space feature any recognisable landmark features of local importance?

Is the green space visible from adjacent main road/ railway/ public transport route?

Is the open space visually attractive?

What threats/ disturbances/ issues are affecting the attractiveness of the site?

road noise

Description of other:

6. Community involvement

Is there a permanent public noticeboard on site? If so, are up to date notices displayed?

Are there any temporary notices on site informing users about current developments?

Is so, are they up to date?

Is there a built facility on site which is being used by the local community for education?

Is there evidence that a natural feature on site is being used by the local community for education?

Does the site offer educational interest (e.g. nature conservation interest or local historic significance)?

Is there a evidence of an active community group?

Is there a programme of activities?

7. Marketing

Social facilities located on or adjacent to green space:

Is there a dedicated outdoor performance area within the green space?

Does the green space contain public art?

Is there a school immediately adjacent to the green space?

8. Potential themes for enhancement

Site ID: 418

Site name: Horseshoe Crescent

Quality: 15

Typology: Natural or semi-natural green space

Value: 20

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

Potential for improved habitat creation particularly water based and woodland. Water body is currently in poor condition (algae) and there is evidence of litter onsite.

Site ID: 419

Site name: Bordon garrison recreation grounds

Quality: 29

Typology: Park or garden

Value: 34

Baseline Assessment - Designations

A1 National:

- Listed building
- Scheduled Monument
- Site of Special Scientific Interest (SSSI)
- Register of Historic Parks and Gardens

A2 Regional:

- Local Wildlife Site (LWS)
- Biodiversity Opportunity Area

A2 Access:

- National/regional trails
- Sustrans Cycle Routes

A3 Local - Statutory:

- Conservation area
- Local Nature Reserve

A4 Other:

- Within a Flood Risk Zone
- Ancient Woodland
- Has the site achieved a Green Flag Award?

1. Welcoming place

Site access: **Restricted public access**

If restricted access, what kind of restriction? **Limited to particular areas**

Other (please state):

To what extent are the entrances well presented?

Good

To what extent are the boundaries well defined and maintained?

Fair

What is the overall quality of access and accesses within and through the open space?

Poor

What is the overall quality of access and accesses for people travelling to open space?

Good

What is the overall provision of signage?

Good

2. Health, safety and security

Is there play equipment on site? **No** How many separate items for equipment? **0**

Is it for under 5 years? **No** 5-11 years? **No** Over 11 years? **Yes**

What play activities are provided for?

Site ID: 419

Site name: Bordon garrison recreation grounds

Quality: 29

Typology: Park or garden

Value: 34

Is there impact absorbing surfacing around the equipment?

Are there benches within the enclosure?

Are there litterbins within the enclosure?

Is there a play area notice at the entrance stating dog free, children only and emergency contacts?

Is there space, separate from the equipped area, for informal play/ general runabout?

Overall condition of play equipment?

Is there other provision for play on site? (Please also note condition)

MUGA No

Waterplay No

Skate park Yes Good

BMX Yes Good

Other No Please state:

Is there evidence the green space is being used for informal recreation?

walking/ dog walking, young people hanging out, sitting/ relaxing, desire lines, skateboarding

Please state, if 'other':

Overall provision for informal recreation? Fair

Are there basic amenity and what is the condition?

Toilets No

Cafe No

Litter and/ or dog bins Yes Fair

Nature trail No

Seating Yes Fair

Lifebelts No

Cycle parking No

Other No Please state:

Community safety/ sense of security:

Is there natural surveillance into the site from surrounding properties? No

Is lighting provided? Yes

Do the approaches feel open and secure? Yes

Is there a flow of people through the green space (to acheive self surveillance)? Yes

Is dog fouling evident onsite? No

Active recreation/ sport provision:

Outdoor athletics track 0

Grass pitches 4 Poor

Site ID: 419

Site name: Bordon garrison recreation grounds

Quality: 29

Typology: Park or garden

Value: 34

Artificial pitches (e.g. astro turf)

Tennis courts

Other sports: Please state:

3. Clean and well maintained

Overall cleanliness?

Is graffiti evident?

Vandalism evident?

Overall condition/ quality of planted areas

Overall condition/ quality of grass areas

Overall condition/ quality of footpaths

Quality of water and associated edge treatment

Please state any buildings on site:

If so, please note condition:

Allotments. Estimated number of plots in use:

Overall condition of allotment site:

4. Sustainability

Is there green waste composting area on site?

Is there evidence of sustainable management practices?

Is there evidence of waste minimisation/ recycling?

Does the green space provide a buffer for/ absorb noise or air pollution from:

Nearby traffic

Nearby industry

Other

Is there evidence of tree/ woodland management?

5. Conservation and heritage

Is there indication that natural features are being managed for nature conservation?

Vegetation cover/ type

Grassland:

short amenity grassland, wildflower grassland, bracken

Scrub, shrubs and hedgerows:

scrub, hedge

Water and wetlands:

none, ditches (water filled), wet marginal vegetation

Trees and woodland:

veteran trees, woodland edges/ trees and shrubs forming shelterbelt, tree groups/ scattered trees

Flower beds:

Site ID: 419

Site name: Bordon garrison recreation grounds

Quality: 29

Typology: Park or garden

Value: 34

9. Comments

Please add any further information on open space e.g. details of primary or secondary uses/ purposes or any significant issues/ opportunities which should be highlighted.

It would be great to see more accessible features in the relevant locations for example to include greater accessible play.

Future works should look to promote greater species and age diversity within the woodlands.
