

East Hampshire District Council
Beech Neighbourhood Development Plan

**Decision Statement Published pursuant to the Planning &
Compulsory Purchase Act 2011 S.38A(9) and Regulation 20 of the
Neighbourhood Planning (General) Regulations 2012**

1. Summary

In accordance with the above regulations, and following a positive referendum result, East Hampshire District Council (EHDC) made the Beech Neighbourhood Development Plan (2011-2028) on 10 June 2021. The neighbourhood plan now forms part of the statutory development plan for EHDC.

2. Decision and Reasons for the Decision

Paragraph 38A(4)(a) of the Planning and Compulsory Purchase Act 2004 requires EHDC to make the neighbourhood plan if more than half of those voting in a referendum have voted in favour of the plan being used to help to decide planning applications in the area.

A local referendum was held in Beech Parish on 6 May 2021 to decide whether the local community were in favour of the Beech Neighbourhood Development Plan. A total of 293 votes were recorded in favour, whereas 32 votes were not in favour of the Neighbourhood Development Plan. The turnout of electors was 64% (325 out of an electorate of 505).

Following an independent examination of the Beech Neighbourhood Development Plan, EHDC has also concluded that the plan, including its preparation, does not breach or is not otherwise incompatible with any retained EU obligation or any of the Convention rights (within the meaning of the Human Rights Act 1998).

On the basis of the foregoing and at its meeting on Thursday 10 June 2021, EHDC decided to make the Beech Neighbourhood Development Plan with immediate effect. The plan has therefore become part of the Council's statutory development plan.
