To:EHDC - Neighbourhood Plans Shared <neighbourhoodplans@easthants.gov.uk>

Dear Sir,

Further to your request for feedback, I wish to record my objection to the fact that this is not a NDP for Bramshott & Liphook despite its title, as it takes no account of the area covered by the South Downs National Park Authority.

In order to have a coherent plan, it is necessary to view Bramshott and Liphook properly and holistically so that sensible decisions can be made about planning and development.

I am disappointed that this matter has still not been addressed, despite consistent feedback over many rounds of consultations for different plans and I urge that action is taken to remedy this deficiency prior to a referendum.

Yours faithfully

Christine Slaymaker.
